

We participate in an ecumenical food pantry located at First Baptist Church. Food collection at Wesley is in the St. Paul's Chapel on the main level. The first Sunday of the month is when we ask our community to bring in items (but we are always collecting). Especially needed are proteins like peanut butter, canned meats, stews etc.

Our United Methodist Men, weigh and transport the food every month to the the church on Walker Road. It is distributed on Tuesdays and Thursdays
